Dear Valued Customer:

Together we are facing a truly unprecedented time. The Coronavirus pandemic is affecting all our families, businesses, communities and our way of life. During this time, we wanted to reach out to let you know that we are operational and will be conducting business as an essential business provider. Please know that we are taking this responsibility very seriously and will continue to provide you with safe and reliable services.

We are deeply focused on our employees and their safety. We are taking precautionary measures and following all safety protocols set forth by the CDC together with our own emergency response plan. Our plan is to ensure the health and safety of our employees, customers and community. We are making sure our employees are up to date on this ever-evolving situation, so they are capable of safely doing their jobs. We remain committed to safely providing you with the services you need without being exposed to or spreading COVID-19.

Thank you in advance for your patience and understanding as we monitor this situation and make any needed adjustments to ensure quality of service during these challenging times.

We will continue to deliver the highest level of performance, availability and service. Our relentless commitment is stronger than ever, and our resolve to be a true professional is unwavering as we navigate these un-chartered waters together. We have an amazing team that is fully staffed and ready to provide excellent service and quality work.

Clear communication will be vital in the weeks ahead. We realize the importance of remaining connected with our customers, we will continue to evaluate things as they arise and promise to keep you updated going forward.

On behalf of all us here at Best Pots, Inc., thank you for being our customer and for your ongoing trust in us.

Our sincere wishes are for everyone to be safe and healthy.

Best Regards,

Chris Rhodaback  
President/CEO
